Corporate citizenship begins through a membership with your community chamber of commerce. A chamber's work benefits not just its members, but the greater business community. Because you own or manage a Hobbs-area business, we ask you to support the organization that supports you by joining the Hobbs Chamber of Commerce. Business memberships start at less than 50 cents a day.
The Hobbs Chamber of Commerce is a 501(c)(6) nonprofit member association, comprised of Hobbs-area businesses, as well as nonprofits and individuals who care about the commercial vitality of our community.

Back in 1930, the Hobbs Daily News wrote, “It is the duty of every business man to support the Chamber of Commerce financially and morally.” Today we say, “If you own a business, support the organization that supports you!”

Hobbs Chamber executive Grant Taylor challenged New Mexico chambers of commerce to a “100% Chamber Community” competition. Today, one in about five Hobbs-area businesses is a Hobbs Chamber member, so we need your support to reach 100 percent! This is a contest that will showcase community pride and corporate citizenship. Let’s go, Hobbs! We’re racing to a June 30, 2015, finish line!

Each business has a budget item called “Memberships & Subscriptions.” The size of that pie is unique to each business, and deciding how to slice it can be tough.

Share a slice with the business association whose mission is to provide the tools and to create the environment for Hobbs-area businesses to thrive!

Why does this matter? When you post Hobbs Jobs, Hot Deals, events and press releases through the online portal you receive with your membership, THEY WILL BE SEEN. Hobbs Jobs is an initiative of the Hobbs Chamber of Commerce. Our members have room to grow, but they can’t expand if they don’t have the right talent. And recruiting new workers to Hobbs is imperative to the growth of our community. We market Hobbs Jobs to connect the right candidates with the right careers.

Santa Fe New Mexican business reporter Bruce Krasnow commended the Hobbs Chamber’s data-rich website in a recent blog, saying, “For data geeks, the Hobbs Chamber of Commerce website is a trove of excitement.” We work very hard to be the resident expert on Hobbs commerce. We vigilantly compile and update publicly available data so that our members and other businesses can see indicators past and present to make better-informed decisions quickly. Visit us at www.HobbsChamber.org

We’re proud of our community engagement through social media, and it’s a viable channel through which our members can communicate to area consumers and job-seekers. Among community chambers of commerce nationwide, the Hobbs Chamber’s Facebook page is one of the most-liked. Look up the Facebook page of a chamber of commerce in any city you can think of and see how we compare. Seriously.
