Hobbs Jobs in the local area over the last year, Taylor said, but branching out the Hobbs Jobs message was con-

ting on several factors. “Our financial support for this type of programming had to be in place from the beginning,” Taylor said. “We have our partners in the Foundation, corporate sponsors to thank, as well as the Hobbs City Commission for contracting with us for professional services another year, especially for doing so at the level we’ve proposed.”

Taylor said Hobbs’ business activity housing development and unemployment needed to keep growing and that said that with so many areas of the state being economically depressed compared to Hobbs, hiring New Mexi-

can workers when a state might be easier and more efficient.

Hobbs Chamber of Commerce had advertised Hobbs Jobs in the career classifieds of the Hobbs Chamber advertised Hobbs Jobs in the local area over the last year. “Our financial support for this type of programming had to be in place from the beginning,” Taylor said. “We have our partners in the Foundation, corporate sponsors to thank, as well as the Hobbs City Commission for contracting with us for professional services another year, especially for doing so at the level we’ve proposed.”
